BLENDING STATION® ADVANCE

The "quiet" advance performance beverage blender

 **Vita-Mix®**
FOODSERVICE

In-Counter

On-Counter

All business.
Higher profits.

34 optimized
programs
will blend virtually
ALL drink recipes.

Customers count on you for consistency
everytime they stop in for their favorite drink.

Advantage: Vita-Mix.

BANANA SPLIT SMOOTHIE

3 large, peeled, frozen bananas cut in half

20 oz. / 600 ml whole milk

2 scoops of chocolate ice cream

4 oz. / 113 g frozen pineapple chunks

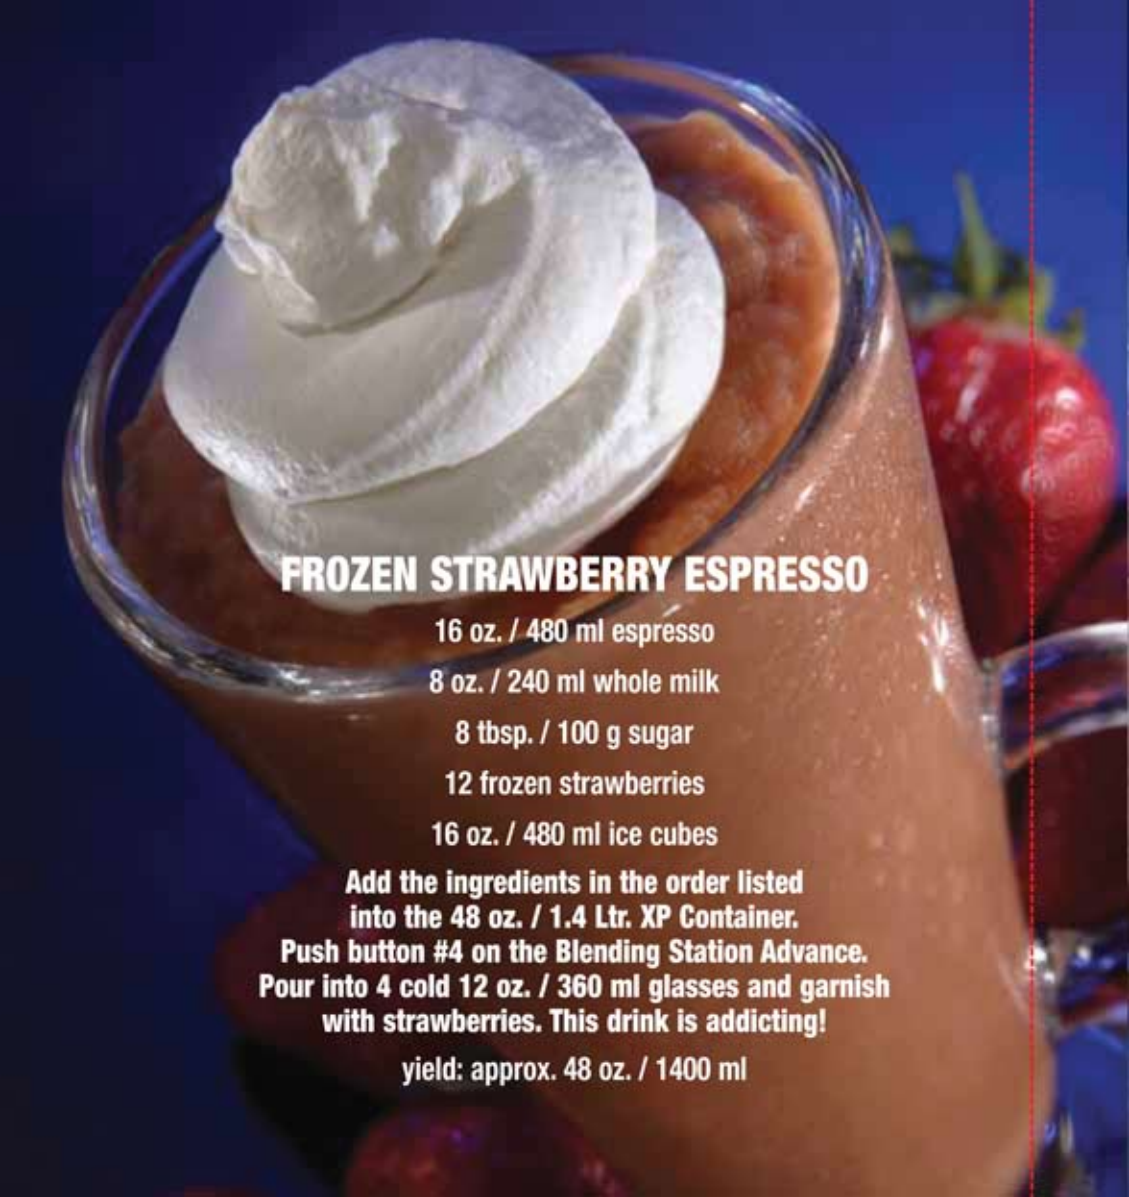

**Add the ingredients in the order listed into the
48 oz. / 1.4 Ltr. XP Container.**

Push button #6 on the Blending Station Advance.

**Pour into 6 cold 8 oz. / 240 ml glasses
and top with whipped cream.**

A banana split never tasted so fresh!

yield: approx. 48 oz. / 1400 ml

A close-up photograph of a glass filled with a thick, light brown frozen beverage. The drink is topped with a generous swirl of white whipped cream. Several fresh, bright red strawberries are scattered around the base of the glass, some in the foreground and some in the background. The background is a solid, deep blue color. The lighting is dramatic, highlighting the texture of the drink and the cream.

FROZEN STRAWBERRY ESPRESSO

16 oz. / 480 ml espresso

8 oz. / 240 ml whole milk

8 tbsp. / 100 g sugar

12 frozen strawberries

16 oz. / 480 ml ice cubes

**Add the ingredients in the order listed
into the 48 oz. / 1.4 Ltr. XP Container.
Push button #4 on the Blending Station Advance.
Pour into 4 cold 12 oz. / 360 ml glasses and garnish
with strawberries. This drink is addicting!**

yield: approx. 48 oz. / 1400 ml

Smooth operators
use Vita-Mix.

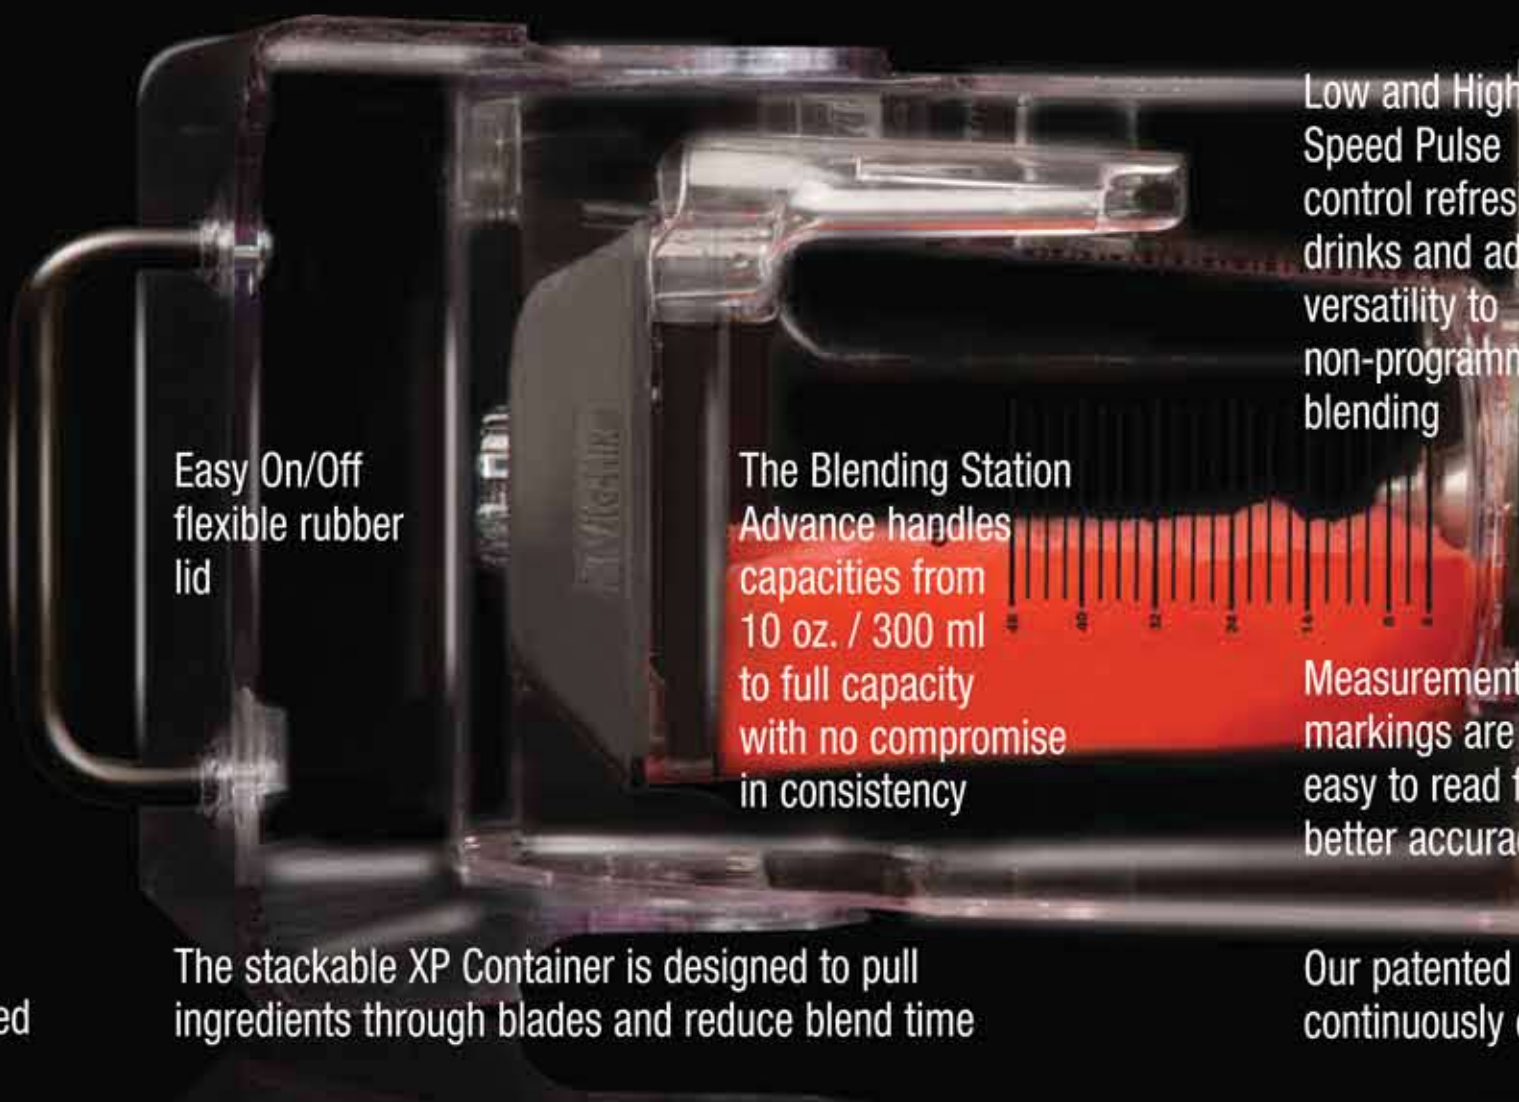

Heavy-duty coated aluminum handle is easy to grip

Unique hinge design opens cover smoothly

Compact cover reduces noise level and fits close to the wall

Cover door easily removed for cleaning – no tools required

Easy On/Off flexible rubber lid

The stackable XP Container is designed to pull ingredients through blades and reduce blend time

The Blending Station Advance handles capacities from 10 oz. / 300 ml to full capacity with no compromise in consistency

Low and High Speed Pulse control refreshes drinks and adds versatility to non-programmed blending

Measurement markings are easy to read for better accuracy

Our patented blade design creates a stronger vortex to continuously circulate ingredients for perfect blending

VITA-MIX
BLENDING STATION ADVANCE

6 pre-programmed buttons with auto shut-off for increased performance

Variable speed control with 93 speeds from 7% to 100%

34 recipe options allow you to blend any kind of drink consistently

VITA-MIX
BLENDING STATION ADVANCE

Easy-to-read VFD display has countdown timer and drink totals by month, week, day or even hour

Heavy-duty 3+ peak motor* runs cooler and resists overheating
*Varies by voltage

Optional programmer available to create your own signature drink recipes for large scale operations

It's not only more powerful, but quieter than other commercial blenders. Quieter translates into repeat customers who find your establishment a very enjoyable place to gather. **Advantage: Vita-Mix.**

Quickly and easily prepare the drinks you are accustomed to making with less time and effort. **Advantage: Vita-Mix.**

Units that keep track of servings make it easy when it comes to analysis and planning. **Advantage: Vita-Mix.**

Profit margins typically run 600-700%, allowing you to pay for your Blending Station within the first two to three weeks. **Advantage: Vita-Mix.**

Digital displays confirm programming selections so there's less risk of failed first attempts and wasted ingredients. **Advantage: Vita-Mix.**

Program display counts down to the end of the cycle and lets staffers coordinate prep time and serving tasks. **Advantage: Vita-Mix.**

Smoothies can be meal replacements, desserts, a breakfast-on-the-go, a summer refresher, or a tide-me-over-until-dinner afternoon drink. You'll be using your Blending Station all day. **Advantage: Vita-Mix.**

**IT'S NOT ABOUT BLENDERS,
IT'S ABOUT YOU.**

Quieter than the level
of normal conversation.
